Randy Travis Joins up with Cracker Barrel's Exclusive Music Program

Exclusive CD to Include Award-Winning Hits and Three Previously Unreleased Tracks; Sales Will Support Wounded Warrior Project™

LEBANON, Tenn.--(BUSINESS WIRE)-- Country music star Randy Travis, known for his award-winning hits such as "*Forever and Ever, Amen*," "*I Told You So*," and "*1982*," is releasing his newest CD exclusively with Cracker Barrel Old Country Store®. In addition to having these three hits, the self-titled album, **Randy Travis**, also contains six other hits and three previously unreleased songs for a total of 12 tracks. And because Randy Travis and Cracker Barrel support our military personnel, a portion of the proceeds from sales of this CD will be donated to Wounded Warrior Project™. **Randy Travis** is available starting today at all Cracker Barrel locations nationwide.

Randy Travis has won all of the major country music awards multiple times, including seven Grammy® Awards, 10 Academy of Country Music Awards, five Country Music Association Awards, and eight Dove Awards, and his albums through the years have sold over 20 million copies. He was glad to put together this special collection of hits and new songs for Cracker Barrel guests and pleased that Cracker Barrel will donate a portion of the proceeds to Wounded Warrior Project. "After touring quite a number of our country's military bases and performing repeatedly for our troops, I can tell you that there is nothing as rewarding as doing these shows for our service men and women," said Travis. "The love they have for this country is inspiring," he added, "and I am glad that Cracker Barrel, where I, myself, like to eat, is supporting such a worthwhile project."

"We offer up this newest CD in our exclusive music program in the hopes that Cracker Barrel guests will enjoy some old favorites and discover some new ones," said Cracker Barrel's Senior Vice President of Marketing Chris Ciavarra. "Randy Travis is very popular with our guests, and we like to believe that they will find this to be an exciting CD to add to their collections. We're also pleased to be supporting Wounded Warrior Project by donating a portion of the proceeds from this CD to that organization."

The self-titled **Randy Travis** is the latest in Cracker Barrel's exclusive music program, which features numerous projects.
