2016 business priorities

1

Drive traffic and sales through advertising, menu strategies, and targeted marketing programs

- Continue to use seasonal menu promotions to drive frequency
- Further expand retail offerings to appeal to a larger segment of the population and reach new markets
- Increase number of on-air weeks, sustain the successful use of pulsing strategy, and broaden media mix with greater digital spend

2

Apply technology and process improvements to enhance overall guest experience

- Integration of new digital technology as a way to add convenience and enhance the guest experience
- Test online waitlist capabilities through new dining room management system
- Launch of the Cracker Barrel Games App

3

Implement cost savings initiatives to further drive operating margins

- Improve operating margins through process enhancements, reductions in food costs, utilities, and restaurant and retail labor
- Several of these important initiatives will be completed in FY16

4

Invest in long-term growth through new unit expansion and development of the fast casual concept

- Expand Cracker Barrel footprint, including growth outside the core market
- Offer a different type of guest experience through fast casual concept restaurants
