

## Cracker Barrel Old Country Store to Offer Sunday Homestyle Chicken Every Day of the Week

August 26, 2019

**New menu offerings also feature a modern, Southern flare on classic dishes, including Homestyle Chicken BLT and Praline Pecan Bread Pudding**

LEBANON, Tenn., Aug. 26, 2019 /PRNewswire/ -- [Cracker Barrel Old Country Store](https://www.crackerbarrel.com) today announced new menu additions and limited-time seasonal items, including the news that the long-time guest favorite Sunday Homestyle Chicken® is now available to enjoy *every day* of the week. In addition to the expanded availability of Sunday Homestyle Chicken, guests will also be able to enjoy the new Homestyle Chicken BLT. A new dessert – Praline Pecan Bread Pudding – along with new beverages are being offered for a limited time, as well.

**Sunday Homestyle Chicken**, which features two boneless chicken breasts hand-dipped in Cracker Barrel's special buttermilk batter, breaded and fried to a crispy, golden brown, is now available every day in-store, as well as for guests to enjoy at home for family gatherings through Cracker Barrel Catering™. Cracker Barrel is putting a Southern spin on a classic household sandwich with its new menu addition **Homestyle Chicken BLT**, made with crispy, golden-fried Sunday Homestyle Chicken drizzled with maple glaze, topped with bacon, sweet n' smoky mayo, lettuce and tomato all nestled between a soft bun.

"Since Cracker Barrel first introduced Sunday Homestyle Chicken many years ago, the response from our guests has been overwhelming," said Cracker Barrel's Vice President of Culinary and Menu Strategy Cammie Spillyards-Schaefer. "Many of them have made a Sunday tradition out of visiting our stores simply to enjoy this meal, so we are thrilled to now offer it to them every day of the week. And, these guests who already love our Sunday Homestyle Chicken can now enjoy it in a new way through our sweet and smoky Homestyle Chicken BLT, which is drizzled in a delicious maple glaze. Our expanded menu and new seasonal items allow guests to enjoy the familiar, homestyle food they've always loved here at Cracker Barrel but in new flavor combinations that reflect our approach to good Southern cooking, just in time for fall."

These newly added menu innovations come on the heels of the recent launch of Cracker Barrel's Southern Fried Chicken, which equipped stores nationwide with new state-of-the-art equipment to bring guests a greater array of high-quality, authentic fried chicken entrées.

The new limited-time menu also brings modern twists to traditional Southern fare by introducing bold flavors with seasonal touches – all while using pure and simple ingredients:

- **Praline Pecan Bread Pudding** joins together creamy bread pudding with vanilla and brown sugar flavors topped with a Southern praline-style buttery pecan streusel and served with rich, creamy vanilla ice cream with a caramel drizzle (available now through Oct. 13).
- **Peach Tea** that combines Cracker Barrel's signature tea and peach puree (available now through Dec. 1).
- **Pumpkin Pie Latte** that features Cracker Barrel's Crafted Coffee with sweet, seasonal pumpkin pie flavors, then topped with whipped cream and a sprinkling of pumpkin pie spice (available now through Dec. 1).
